## ACDP Terms and Conditions of this Agreement

I understand that the products selected on the ACDP enrollment form will be sent to me at the frequency and qty specified unless I notify Waterline of any changes or cancellation.

I understand that the specific products which I have chosen may be discontinued or updated.

I understand that the List Prices may be adjusted from time to time and while enrolled in this program it will not change during the term of enrollment or during the normal renewal period.

I authorize Waterline to establish an automatic credit card or debit card arrangement as specified on enrollment form for the amount each year prior to shipment. Upon notification in writing, email, fax or phone I understand that I can cancel this enrollment prior to shipment.

I understand that this agreement will become null and void if Credit card has been expired, cancelled, or stolen unless a new card # or expiration date is provided.

### Shipping and Handling

UPS shipping & Handling Charges will be added based upon # of cartridges per order.

One cartridge per order	\$8.50
Two cartridges per order	\$9.50
Three cartridges per order	\$10.50
Four cartridges or more	\$11.00

## CPR Terms & Conditions

The following terms and conditions are agreed to by consumer upon return of this competitive product rebate.

1. Any Competitive product returned must be mailed or shipped postage prepaid or delivered to local dealer whom sold you the Alwaysfresh model HFC-1000 that qualifies under this program.
2. Competitive product returned to Waterline will be destroyed and under no terms returned.
3. One rebate per household only.
4. Waterline's standard warranty applies to the Free cartridge received:
5. I understand that acceptance of the Free Cartridge does not required the continuation of the ACDP program after the initial enrollment term.

## Extended Lifetime Warranty

Your Alwaysfresh system limited warranty can be extended one year if system is maintained per instruction manual. Simply change your Alwaysfresh system cartridge at least annually as recommended by Waterline Technology and the balance of your system warranty will be extended for 12 months. Waterline suggests that you replace your cartridge at end of life or one year whichever occurs first.

Proof of purchase under this extended warranty is your responsibility. Waterline will mail you a reminder letter every 11 months to assist you with this maintenance. If you purchase directly from Waterline we will update your records accordingly. **ACDP Enrolled Customers proof of purchase is updated automatically with each cartridge delivery.**

This extended warranty covers the permanent head assembly, fittings and dispensing faucet (if purchased from Waterline)but is subject to the faucet manufacturer's warranty. In the event any of these parts fail within the extended warranty period Waterline will repair or replace the parts at no charge.

**NOTE: Parts only no labor warranty is included.**
