

Automatic Cartridge Delivery Program Enrollment Form (ACDP)

A permanent guarantee for customer satisfaction.

Enrollment Benefits & Authorizations:

1. Authorizes Waterline Technology to Ship replacement cartridge(s) at least once per year while enrolled.
2. Automatically enrolled in our Extended Lifetime Warranty during the enrollment period.
3. Charge your credit card with applicable sales taxes and shipping charges.
4. Program cancellation requires a 2-week notification for the scheduled Waterline Technology program cancellation.
5. Enrollment date for 1st replacement cartridge and annually thereafter during enrollment. The Initial Enrollment term is 3 years with automatic 3-year renewals.

ACDP Terms and Conditions of this Agreement

1. I understand that Waterline Technology will send the products selected on the ACDP enrollment form to me at the frequency and quantity specified unless I notify Waterline Technology of any changes or cancellation.
2. I understand that the specific products that I have chosen may be discontinued or updated.
3. I authorize Waterline to establish an automatic credit card or debit card arrangement as specified on the enrollment form for the amount each year before shipment.
4. Upon receipt of written notification, via email, fax, or phone, I understand that I have the right to cancel this enrollment until 30 days before shipment.
4. I understand that this agreement will become null and void if the credit card on file has expired, been cancelled, or stolen, unless a new card # or expiration date is provided.

Shipping and Handling

UPS shipping & handling charges will be added based on the quantity of cartridges per order.

One cartridge per order \$14.50

Two cartridges per order \$16.50

Three cartridges per order \$18.50

Four cartridges or more \$20.50

Extended Lifetime Warranty

Your Waterline Technology Alwaysfresh system limited warranty can be extended for one year if the system is maintained according to the instruction manual. Simply change your Alwaysfresh system cartridge at least annually as recommended by Waterline Technology. Waterline Technology recommends replacing cartridges at the end of their life or after one year, whichever comes first. Proof of purchase under this extended warranty is your responsibility. Waterline Technology will contact you every 11 months to assist you with this maintenance. If you purchase directly from Waterline Technology, your records will be updated accordingly. ACDP Enrolled Customers' proof of purchase is updated automatically with each cartridge delivery. This extended warranty covers the permanent head assembly, fittings, and dispensing faucet (if purchased from Waterline) but is subject to the faucet manufacturer's warranty. In the event any

of these parts fail within the extended warranty period, Waterline Technology will repair or replace the parts at no charge.

Note: This warranty applies only to Waterline Technology parts. Labor is not included.
